DEFENCE AND SECURITY EXHIBITION

# See you in **FEINDEF 25**

International Defence & Security Exhibition, Spain

IV Edition. May 12, 13 & 14 2025 / Madrid, Spain

Organized by

With the institutional support of

[feindef.com](https://feindef.com)

**The International Defense and Security Exhibition of Spain, FEINDEF, organized by the Feindef Foundation, is the only trade fair in the Defense and Security sector institutionally supported by the Ministry of Defense. It stands as the most significant event held in Spain within this sector.**

FEINDEF provides unprecedented levels of access to the **new international defense market**, strengthening the implementation of initiatives in the realm of collaborative research, capability development, boosting investment in the European defense supply chain, and the creation of a unique European defense market.

**Internationalization** has become one of the fundamental pillars of FEINDEF. Therefore, the organization focuses, in each edition, on attracting a greater number of foreign companies and delegations, providing a robust **platform for the expansion of our industry within and beyond our borders**, thus positioning FEINDEF as the international benchmark meeting point within its sector.

**FEINDEF will host its 4th Edition in May 2025, introducing an extra hall and expanding the total exhibition area to 54,000 m<sup>2</sup>**

## FEINDEF 23 IN FIGURES

**40,000 m<sup>2</sup>** of exhibition space

## Conferences and Activities

FEINDEF 25 will address, through cycles of conferences, workshops, and roundtable discussions led by experts and prominent authorities, the latest trends in crucial areas such as **cyber defense and cybersecurity, circular economy, energy efficiency, sustainability, intelligent logistic bases, disruptive technologies, and the indispensable role of women in the defense and security industry.**

**INNOVA**  
FOR\_DEF & SEC

Innova for Def & Sec, **the space where co-creation finds its booster to develop disruptive innovation**, will once again become especially relevant in FEINDEF 25.

With the aim of bringing together the key players of the Defense and Security entrepreneurial ecosystem, Innova for Def & Sec will address the latest trends and demands related to innovation and entrepreneurship in dual-use technologies, revolving around **enabling technologies that will allow the transformation of Bases and Arsenal 4.0.**

## **Promoting the Culture of Defense and Security as a Driver of Innovation**

The Feindef Foundation is a private, non-profit organization that aims to raise awareness in Spanish and European society about issues related to Security and Defense. It seeks to highlight their significance and commitment to scientific and technical research and innovation as drivers of economic, technological, and social integration.

Our pursuit of excellence and innovation motivates us to foster public-private collaboration, offering specialized advice and comprehensive support in projects aimed at enhancing the technological base of the Defense industry to boost its competitiveness on a national and international scale.
